KC Award Viewer Manual

The **KC Award Viewer** in *AccessPlus* allows access to award documents and approved GoldSheets for funded sponsored projects. Award documents, amendments, approved budgets, subrecipient agreements, proposal guidelines and GoldSheets are available for ISU awards with GoldSheet numbers 113000 and higher.

Lead PIs have access to their own awards. Co-PIs do not have access to awards in the KC Award Viewer. Grant coordinators have access to awards for their assigned Lead Org Departments (KC Units). RRC staff (college and VP administrators) have access to all awards. The grant coordinator and RRC assignments are viewable in the "Unit Administrator" custom eData report, using the following path: (Public Folders>Custom Reports>University Wide>KC-Sponsored Programs Reports>Unit Administrator).

Documents from all GoldSheets linked to one award will be displayed, and the GoldSheet number is included in the naming convention of the File Name (the first six digits of the File Name reference documents for a specific GoldSheet).

These documents reside on OSPA's electronic filing system. Only awards, amendments, approved budgets, subrecipient agreements, proposal guidelines and GoldSheets for funded projects are

accessible in the KC Award Viewer. No-cost extension approvals received on or after 01/01/2017 will also be included. Please contact <u>ospa-awards@iastate.edu</u> if you need copies of other documents related to the award such as Secondary Award Line forms.
