Adding Streamlyne to Okta

- Login to Okta: <u>https://iastate.okta.com/app/UserHome</u>
- Click on Add Apps

• This will bring up the App Catalog search box.

App Catalog	
Add apps to your dashboard	
Q Search the app catalog	

• Type Streamlyne in the search box and click on the add button.

streamlyne		
STREAMLYNE	Streamlyne	Add

• The Streamlyne icon will be added to your Okta page. This is the Streamlyne Production environment and <u>not</u> a test environment.

To open Streamlyne from Okta:

• Click on the Streamlyne icon.

• Click on the Log in with SSO button.
