

STATE OF IOWA

CHESTER J. CULVER, GOVERNOR
PATTY JUDGE, LT. GOVERNOR

DEPARTMENT OF MANAGEMENT
CHARLES J. KROGMEIER, DIRECTOR

April 23, 2009

To Whom It May Concern:

The Office of Grants Enterprise Management of the Iowa Department of Management is designated as the "Single Point of Contact" (SPOC) for the State of Iowa. We therefore have the responsibilities assigned to the SPOC in relation to the intergovernmental review system promulgated by Executive Order 12372.

As the applications submitted by the state's public universities (University of Iowa, Iowa State University and the University of Northern Iowa) are generally of special nature and the SPOC is unable to add substantive comments, the privilege to review applications from these institutions is hereby waived.

If you have questions concerning this waiver, please contact me at 515/281-8834.

Sincerely,

A handwritten signature in cursive script that reads "Kathy Mabie".
